

Language Programme

French immersion

Experience French in
the heart of Europe

Learn French, discover Francophone
culture, and experience Brussels in the
heart of Europe

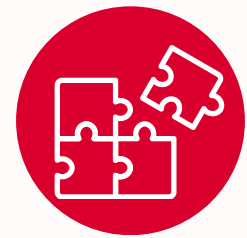

Alliance Française

Bruxelles-Europe

Language training

Combine language learning with cultural discovery in an immersive programme designed to help students make rapid progress. Participants improve their French through engaging, real-life experiences :

Build confidence
through role plays and
authentic real-life
situations.

Develop
spoken and written French
language skills.

**Communicate with
confidence**
through interactive
communication
workshops.

Discover
the richness and diversity
of French-speaking
cultures.

A tailor-made programme

Every programme is designed around your learners' profile, your educational objectives and your organisational requirements.

Included in every programme

Placement test

French language courses

Certificate of participation

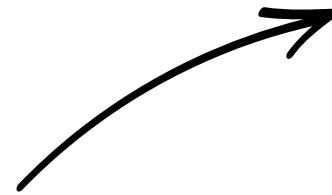

Certified teachers

Support throughout the stay

Personalised programme

An inspiring place

Beyond the classroom, participants **practise French** every day while **discovering Brussels** through a wide range of cultural activities.

Throughout the programme, the Alliance Française Bruxelles-Europe team provides **personalised support**, from arrival to departure, ensuring a smooth and rewarding experience for every group.
