

# Language Programme

## *Professional immersion*

Experience French  
in the heart of Europe

---

Develop your professional French skills  
and discover the international business  
environment in Brussels

Alliance Française

*Bruxelles-Europe*

# Language training

---

Offer your teams an immersive experience combining French language training with first-hand exposure to Brussels' international business environment. Participants develop their language skills through authentic workplace situations :

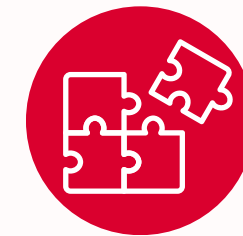

## **Strengthen**

spoken and written  
communication skills in  
professional contexts.

## **Communicate**

confidently during meetings,  
presentations and  
professional exchanges.

## **Develop**

intercultural skills in an  
international environment.

## **Collaborate**

effectively through  
practical workshops and  
real-life simulations.

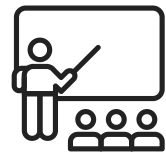

# A tailor-made programme

## An inspiring experience

## Unique expertise

We are an accredited examination centre for the Diplômes de Français Professionnel (DFP), developed by the Paris Île-de-France Chamber of Commerce and Industry (CCI Paris Île-de-France). Recognised internationally and valid for life, these qualifications certify French language proficiency in a variety of professional contexts, including business.

CCI PARIS ÎLE-DE-FRANCE
